PROFILE

Computer Science undergraduate with hands-on experience in developing full-stack web applications using the MERN stack. Skilled in designing RESTful APIs, implementing secure JWT-based authentication, role-based authorization, and database-driven applications. Passionate about building scalable software solutions and continuously improving problem-solving and software development skills.

TECHNICAL SKILLS

- **Languages:** Java, JavaScript, SQL
- **Frontend:** HTML5, CSS3, React.js
- **Backend:** Node.js, Express.js, REST APIs
- **Database:** MongoDB
- **Authentication:** JWT Authentication, Role-Based Authorization
- **Tools:** Git, GitHub, Postman, VS Code

PROJECTS

Smart Placement Readiness Platform

Full-Stack Web Application

- Developed a full-stack placement platform supporting separate Student, Company, and Admin modules.
- Implemented secure JWT-based authentication and role-based authorization to protect application resources.
- Designed Student, Company, and Admin dashboards with dedicated functionalities for each user role.
- Built student and company registration, profile verification, and password reset functionality.
- Developed resume upload and profile photo upload features for student profiles.
- Designed MongoDB schemas and developed RESTful APIs for user management, applications, complaints, and profile management.
- Implemented a student profile scoring system based on academic information, skills, and profile completion.
- Developed eligibility-based application logic allowing students to apply only for companies matching their profile criteria.
- Implemented company search and filtering functionality to improve job discovery.
- Built a complaint management system enabling users to report platform-related issues.
- Applied input validation, exception handling, and modular backend architecture to improve application reliability and maintainability.

EDUCATION

VIT-AP University

B.Tech – Computer Science and Engineering

Sep 2023 – Mar 2027

Amaravati, Andhra Pradesh

CGPA: 8.56 / 10.0

Sri Chaitanya College

Intermediate

Jun 2021 – Apr 2023

Vijayawada, Andhra Pradesh

Percentage: 95.1%

CERTIFICATIONS

- Android App Development – IMARTICUS

ADDITIONAL INFORMATION

- **Languages:** English, Telugu
- **Interests:** Full Stack Development, Backend Development, Problem Solving
